### WHAT THE WARRANTY COVERS

Euro-Wall Systems LLC warrants the products to be free from manufacturing defects for a period of 10 years from the date of purchase.

A manufacturing defect is defined as where the product or component sold is not of merchantable quality nor fit for its intended purpose. Where Euro-Wall Systems LLC products or components are installed or incorporated into another entity's or manufacturer's product, Euro-Wall Systems LLC will not be liable for any defect in that product.

### WHAT IS NOT COVERED

Other than manufacturing defects, this warranty excludes all other defects in Euro-Wall Systems LLC products including defects caused or contributed in whole or in part by, or resulting from, any of the following:

1. abuse, misuse or neglect;
2. circumstances where the products are used for purposes other than the intended use;
3. natural disasters such as flooding, windstorms and lightning;
4. damage caused by the external environment in which the products are situated
5. alterations to the products by any person unless authorized by Euro-Wall Systems LLC
6. failure to follow the recommended installation and maintenance procedures

### LIABILITY FOR CONSEQUENTIAL AND OTHER DAMAGES

Euro-Wall Systems LLC shall not be liable under this warranty under any circumstances for any other direct or any indirect, incidental or consequential damages of any kind.

Euro-Wall Systems LLC liability in respect of products that it finds to have manufacturing defects is limited to repairing or replacing the defective products. The repair or replacement of the defective product will be to a standard that provides the same degree of serviceability or functionality that a product without defect would otherwise have.

Euro-Wall Systems LLC will not be liable in contract, tort or otherwise for costs, expenses, loss or damage to any person or property, including consequential losses or loss of profits, resulting directly or indirectly from any defect or breach of warranty.

### THIS IS THE ONLY WARRANTY

This is the only warranty provided by Euro-Wall Systems LLC. All other warranties, whether expressed or implied by any legislation, are hereby excluded to the extent permitted by such legislation.
